How Much Betrayal Did You Merit?

Odd question, compounded
as it is of tragedy and comedy.

Gut wrenching misery
en scène mid panties farce.

Ah well, might be smart
to stop drinking and dope

it out, but I doubt it. Cogent
bottom line from Jimmy Buffet’s
Margaritaville: “It's my own

damn fault.” Is that start-
ing point? No points anywhere.
Rawest victims steered to prayer.
